Chief Shawn Ledford
Shoreline Police Station
1206 N 185th Street
Shoreline, WA 98133

Chief Ledford,

Last Saturday I made a careless mistake while shopping at the FEDX business in the Aurora Shopping Center. I left a personal bag containing all of my medication, some of which has street value, and containing as well a personal licensed firearm.

Sgt. Ellis called me and left a personal message on my office answering line letting me know he had my bag. I responded immediately to his call, drove to the station and left a message on the phone number he supplied. An officer in a patrol car intercepted me at the station and at the same time another officer from inside the station came outside and collected me. Sgt. Ellis filled out the forms and returned my bag.

Sgt. Ellis and the other two officers who dealt with me were courteous and most professional as they went about their business. I was impressed with their courtesy, their thoroughly professional manner and their understanding. It speaks well for the high quality of service extended by the Shoreline Police Dept. and I truly appreciated their assistance. Sgt. Ellis, thank you! I'm pleased that we have such an outstanding police department in Shoreline.

Sincerely,

Gary E. Connor, Ph.D.
