Att: Lynn Gabrieli

While walking the Paramount Park circuit on Wednesday morning, the window in the front driver's side of my car was smashed and my purse stolen. During the wait for the police, a park employee, Shamus Judge, was so helpful. He began sweeping up the glass in the parking lot; he obtained a whisk broom to sweep up glass in the car so it could be driven. I commend him as someone who exemplifies the best face of Shoreline employees. I was quite distraught and he was so calm and helpful.

A big thank you to Shamus Judge.
