No Party is permitted to withdraw until this Agreement has been in force at least five (5) years from the initial Effective Date. Once this Agreement has been in force for five (5) years from the initial Effective Date, any Party may withdraw by providing at least one-year notice of its intent to withdraw.

(c) *Termination of the Authority.* The County Council may terminate the Authority with an affirmative finding of the Seattle City Council that dissolution is warranted, with the concurrence of any Additional Parties, as further provided in the Charter. Furthermore, upon expiration of this Agreement or termination of this Agreement by the Parties hereto, the County Council may, in its discretion, terminate the Charter of the Authority.

Section 6. Service Contracts for the Provision of Homeless Services. Nothing herein or in the Charter shall prohibit the Authority from entering into contracts with other cities, municipalities or public agencies within King County for the provision of Homeless Services without the necessity of such city, municipality or public agency becoming a party to or assuming the provisions of this Agreement, so long as (i) such contracts are subject to the availability of grant or other funding, (ii) such contracts are available for review by the Parties, (iii) any contract with such party provides for that entity to assume a proportional share of Authority operating expenses and service funding, and (iv) such contracts do not impair the obligations of the Authority to any Party or any other contractors.

Notwithstanding the foregoing, this Agreement may be amended upon approval of the County Executive and Seattle Mayor to add an Additional Party to this Agreement so long as the amendment or assumption document does not materially impact the rights of the then-current Parties to this Agreement. The Parties to this Agreement hereby authorize subsequent modifications to this Agreement by the County Executive and the Seattle Mayor for such purpose.

Except as provided in the preceding paragraph, no additions to or alterations of the terms of this Agreement shall be valid unless made in writing, formally approved and executed by duly authorized agents of all Parties.

(a) *Waiver.* No officer, employee, or agent of the Parties hereto has the power, right, or authority to waive any of the conditions or provisions of this Agreement. No waiver of any breach of this Agreement by any Party shall be held to be a waiver of any other or subsequent breach. Failure of a Party to enforce any of the provisions of this Agreement or to require performance of any of the provisions herein, shall in no way be construed to be a waiver of such conditions, nor in any way effect the validity of this Agreement or any part hereof, or the right of a Party to hereafter enforce each and every such provision.

(b) *Integration.* This Agreement contains all of the terms and conditions agreed upon by the Parties hereto concerning the establishment of the Authority. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the Parties hereto. The Parties have read and understand all of this Agreement, and now state that no representation, promise, or agreement not expressed in this Agreement has been made to induce the officials of the Parties hereto to execute this Agreement.

(c) *Severability.* In the event any provision of this Agreement shall be declared by a court of competent jurisdiction to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not, in any way, be effected or impaired thereby.

(d) *Hold Harmless; No Liability.* To the maximum extent permitted by law, each Party hereto shall indemnify and hold harmless the other Parties and its or their agents, employees, and/or officers, from any and all costs, claims, judgments, or awards of damages arising out of the negligent acts or omissions of such indemnifying Party, its officers, employees or agents and shall process and defend at its own expense any and all claims, demands, suits, at law or equity, actions, penalties, losses, damages, or costs, of whatsoever kind or nature, brought against the other Parties arising out of, in connection with, or incident to this Agreement and the indemnifying Party's negligent performance or failure to perform any aspect of this Agreement. In the event of any such liability arises from the concurrent negligence of the indemnifying party and another Party, the indemnity obligation of this section shall apply only to the extent of the negligence of the indemnifying party and its actors.

The foregoing provisions specifically and expressly intend to constitute a waiver of each Party's immunity under industrial insurance, Title 51 RCW, as respects the other Party only, and only to the extent necessary to provide the indemnified Party with a full and complete indemnity of claims made by the indemnitor's employees. This waiver has been mutually negotiated.

(f) *No Separate Legal Entity.* The Parties hereto acknowledge and agree that the purpose of this Agreement is to facilitate the chartering of the Authority, an independent public corporation, by the County and the joint funding, administration, governance and operation of the Authority. No joint board or administrative entity within the meaning of RCW 39.34.030(3) is hereby created pursuant to this Agreement.

(g) *Labor Disputes.* Because labor disputes can lead to work stoppages or adversely impact the ability of the Authority to achieve desired outcomes, Seattle and the County agree and acknowledge that they have an interest in ensuring that the Authority's operations and progress are not interrupted or interfered with by work stoppages or other labor disputes. Accordingly, Seattle and the County agree to require the Authority and entities that contract with the Authority to adhere to labor laws, commit to promoting labor harmony, and take reasonable measures to avoid any work stoppages or labor disputes in their operations.

(h) *No Third Party Beneficiary Rights.* The provisions of this Agreement are for the sole benefit of the Parties and their successors and permitted assigns, and they will not be construed as conferring any rights to any third party (including any third party beneficiary rights).
