Subject: Council recognition for Climate Challenge participants

Hi Pollie,

We'd like to have Council recognize our top performing teams in the [Shoreline Climate Challenge](#) in late 2020. The current campaign runs through the end of October so we'll have the names of the top teams/groups to recognize in early November. I wanted to ask what the best format was for recognizing participants (a resolution?) and what timing would work for this recognition before the end of 2020. There would be one top team, one top community group and a general summary of how many households participated, their collective impact, etc. to be shared.

Thanks,
Autumn
