**Subject:** [EXTERNAL] Re: Shoreline Film Office Project Information Form submittal

*Attached, please find our COI, as well as a copy of our company Covid Protocol guidelines.*

*I also re-filed the permit application with a little more specific description of what our activities will be. Everything will be on the upper level, and mostly what we are looking for is a grassy area with a tree in the background, and then to also grab a couple of nice shots of the ocean view. We will be shooting a sunset shot in Seattle, so we will be wrapped in Shoreline by 7:00.*

*Thank you so much for your efforts on this!*

*Regan*
