June 3, 2021

The Honorable Will Hall
City of Shoreline
17500 Midvale Avenue North
Shoreline, WA 98133

Dear Mayor Hall,

Congratulations! I'm pleased to let you know that the City of Shoreline is receiving \$4,920,000 in PSRC funding for the following project:

PROJECT	AWARD AMOUNT	FUNDING DEADLINE
SR 523, I-5 to Corliss Avenue N	\$4,920,000	June 1, 2024

Additional funding from the Federal Highway Administration has become available in 2021. In April, PSRC's Executive Board approved distribution of these funds to projects on the contingency lists from our last major project selection process in 2020.

Securing federal transportation funding for communities in the region is one of the key roles of the Puget Sound Regional Council. Through our merit-based project selection process, PSRC ensures that federal transportation funds are put to work on priority projects that support the region's VISION 2050 growth plan.

As the region continues to work on maintaining and improving our transportation infrastructure, we are grateful for partners like you working to enhance mobility, support a resilient economy, and sustain a healthy environment and quality of life for people in the region.

Thank you for your leadership and for the excellent work by your staff. I look forward to continuing to partner with you on efforts to help the region thrive now and into the future.

Sincerely,

Josh Brown
Executive Director
Puget Sound Regional Council
