

Pump Station 30 Improvements

PROJECT OVERVIEW This project will replace the existing pump station, rehabilitate the existing detention pond and install other minor improvements to the facility. Improvements include a new wet well with (2) new submersible pumps, new control panels, new communications systems, upgraded electrical service, improved pre-treatment, and minor frontage improvements.

CONSTRUCTION COMING SOON!

Residents receiving this notice are within 500 feet of the project site. Residents should expect:

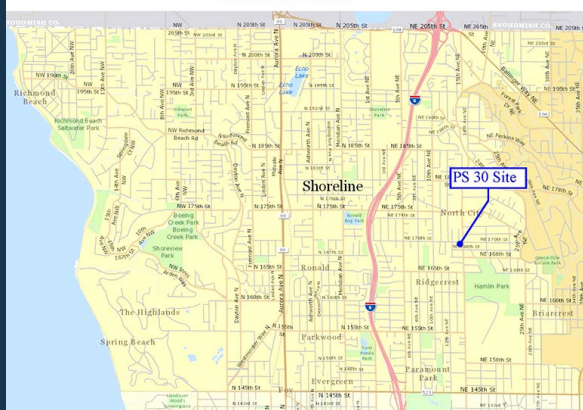

- Construction from April 2024 through December 2024
- Roadway impacts on NE 170th Street just west of 15th Avenue NE
- More public notification later this summer, including updated design and an online presentation

Residents can gain more information by visiting the website and contacting the project manager with questions or concerns.
