N 148th Street Non-Motorized Bridge

Construction on the East Bridge Landing will start as soon as July 2023

Construction will occur within the existing Sound Transit Shoreline South/148th Station construction area and last approximately 18 months.

What to expect during construction:

- ▶ Typical weekday work hours, 7:00 a.m. to 6:00 p.m. (M–F)
- ▶ Some nighttime and weekend work
- ▶ Increased truck traffic in and out of the project site on NE 149th and NE 151st streets
- ▶ Noise, dust and vibration
- ▶ Intermittent restrictions to on-street parking

Project overview

As Shoreline grows and changes around the Shoreline South/148th light rail station, the City is finding ways to connect people to it safely and efficiently. A new pedestrian and bike bridge over I-5 at N 148th Street will strengthen those connections.
