## Chief's Message

This has been an exciting week! As your sergeants have passed along, the North End Peer WA Recovery Navigator Program is open for our referrals! Program Director, Kimmy Reedy, met with me to share the exciting progress. This is an amazing harm reduction program we can utilize for the people we serve suffering from substance use, who are interested in improving their lives in any way.

For now, please call 253-296-6595 (Law Enforcement ONLY line not to be shared with the public) seven days a week 0900-1900 hours, or you can email [referrals@recoverynavigatorprogram.org](mailto:referrals@recoverynavigatorprogram.org). Outreach will meet people where they are... whether that is in the community, in the hospital, or jail. We have established a great partnership with Melissa and John, and the teamwork will only get stronger with our referrals.

Thank you to everyone that has been willing to assist with the REST Thanksgiving Dinner! There is still time to give! Shoreline Police: Thanksgiving Dinner for REST ([signupgenius.com](http://signupgenius.com))

A special THANK YOU for the service of our active-duty military Team Members as well as our Veteran's. We all honor you this Veteran's Day weekend and every day!

I will be out of state visiting family returning next Tuesday afternoon. My phone is always on. However, Cpt. Meyer will be Acting Chief in my absence.

Thank you all for the service you give our precinct every single day.

## 'Of the Year' Nominations Due Nov. 30

---

Please remember to get your "Of the Year" award nominations into your sergeants for upload into Blue Team no later than November 30th.

## Business Access Transit Usage

Let's Talk About BAT (Business Access Transit) Lanes

**RIGHT LANE BUS ONLY** = Do **Not** Drive in the Bus Lane

**RIGHT LANE MUST TURN RIGHT EXCEPT BUS** = You **MAY**, but you must make a right turn at the next intersection

There has been some confusion over the years regarding the use of the BAT (Business Access Transit) lanes on Bothell Way. Some stretches of Bothell Way are for buses only, while others can be used for portions of the road until you reach an intersection, when you must then turn right. Nowhere along Bothell Way can you drive straight through an intersection while in the BAT lane unless you happen to be driving a bus. Please keep this in mind if you find yourself taking a collision along Bothell Way.

## Getting to Know Sgt. Mandella

Thanks for the warm welcome, Shoreline! My name is Scott and I am humbled by the opportunity to serve you as a Patrol Sergeant. You may recognize me from some recent annual C.I.T. recert videos.

Well, Crisis Intervention and Co-Response is 'my cup of tea,' and was the focus of my last few years while serving down in Southwest Precinct and Burien. I look forward to helping the Regional Crisis Response (RACER) team here in Shoreline as they work to support Shoreline PD and the local community.

My wife Kelly and I have been married for 23 years, and my daughters Abigail and Phoebe have already flown from our nest. My granddaughter, Genevieve, joined my family just a couple of months ago. I like camping with and trying to play guitar for my two dogs and two cats. I happily call North Bend home.

## Commendable Service

We thank Sgt. Deer for preparing this commendation after a Shoreline community member recognized the exemplary conduct of Deputies Rodriguez, Handley and Alnsour. Please know your work matters and is recognized by those we serve.

*I am writing this commendation to Deputies Rodriguez, Handley and Alnsor for their exemplary service and outstanding commitment to our community.*

*On October 24, 2023, at 22:21 hrs, we received a heartfelt message from a community member through our Shoreline PD's Facebook page, which I believe truly reflects the excellence and dedication that they consistently demonstrate. In her private Facebook message, The woman expressed her deep gratitude for the assistance provided to her cousin during a car accident at Quinn by Vintage. Though she couldn't recall the name of the specific officer who assisted, she described him as the youngest of those present. Her message acknowledged the officer's remarkable qualities, such as understanding, patience, and kindness.*

*In the spirit of recognizing their outstanding service, I wish to commend all three of them, for embodying the core values of our agency. Their empathy, compassion, and unwavering dedication to the welfare of our community members exemplify the highest standards of law enforcement. It is often the small gestures of kindness that leave a profound impact on the lives of those we serve. Their actions on that day not only upheld the reputation of the Shoreline Police Department but also touched the heart of the reporting party and her cousin. Their dedication to providing outstanding service and the lasting impression they've made reflect the principles and values that we uphold in our agency. Deputies Rodriguez, Handley and Alnsour's actions have not only made a positive impact but also reaffirmed our agency's dedication to fostering positive relationships within our community.*
