Chief's Message

Captain Meyer and I had the opportunity to discuss our 2023 Police Services Report in front of Council on Monday night. We are so supported by our Council and were also able to identify some areas we can improve our level of services to Shoreline. I look forward to partnering with all of you to reach our goals.

Acting Sgt. Knight and I have the opportunity to present Civilian Response to Active Shooter Events (CRASE) to our Shoreline Schools Safety Committee this evening. This training as many of you are aware provides practical and realistic ways for our community to take ownership in their personal safety should the worst-case scenario occur. We are happy to have this partnership with our public schools and look forward to more in the future. If you are interested in becoming CRASE instructor, please reach out through your chain of command.

I appreciate everyone who helped with our significant flood over the weekend, especially Sgt. Salter, Sgt. Merclich and Det. Sgt. Connelly who were here with me. We are working hard with our City and ServPro to get things back to shape down here and appreciate your patience in the meantime.

The Other Side of the Tracks

Tuesday morning, I had the opportunity to join CRT, Shoreline Parks and the BNSF at Saltwater Park to scout for a possible encampment and discuss signage, boundary and other matters in anticipation of increased summer traffic. We have a strong partner with the railroad. They've offered resources for signage, etc., in an effort to deter beachgoers from crossing tracks near the Woodway border and elsewhere. I left this visit very encouraged that we will have the resources needed to better address whatever concerns arise in 2024.

Commendation for MPO Ater

This commendation was received today recognizing MPO Ater for his presence Wednesday at the N 145th Walgreens. It is thanks to him and our CIU detectives that felony charges were recommended this week for a prolific retail thief. To everyone who has responded to the many 2024 calls for service at this store we say 'job well done.'
