Subject: 145th closure extended

Hi all,

I just wanted to make you aware that the full closure of 145th Street between I-5 and 1st Avenue NE has been extended to early 2025. We expected to reopen the road in November 2024, but due to the complexity of the work and other delays, we need to extend the closure. Underground utility conflicts and unforeseen existing conditions will take additional time to work through.

We will be releasing the news to the public later this morning.

If anyone has questions or concerns please direct them to our 24/7 hotline at 206-899-5127.

If you have any questions, please feel free to call or email me!
