Chief's Message

Happy belated New Year to everyone. As we roll into 2025 many of you have probably discussed or even implemented a New Year's resolution or two. Our worksite is no different, but instead of talking about New Year's resolutions we are discussing priorities for the New Year. What does this mean?

I have found over the years that any worksite that doesn't set priorities to direct their work will generally get caught up in the flavor or emergency of the moment. Priorities set a focus and gives a plan to everyone in the organization on where we are going and what is important to us as a team. In the coming days the command staff, with feedback from the team, will be setting our priorities for the year. These will be limited to five priorities. I am looking forward to seeing this team accomplish great things this year. If you have suggestions for priorities that you would like the command staff to consider, please route them through your supervisor.

Thank You for Your Care and Kindness

Shoreline and Kenmore community members continue to express their gratitude for the dedicated service provided by police and RCR team. Some may offer a verbal thank you while others convey their appreciation in more subtle ways. Today, a mother dropped off flowers to thank the officers who assisted her young daughter yesterday. The officers involved were Sgt. Andrews, K-9 Officers Planalp and Dallan, MPO Rodriguez, Officers Mainaga, Handley, and Bennett and Detective Soderstrom.

The accompanying note read: *“Thank you so much for the care and kindness you showed us and our daughter. We appreciate all you do.”*

We Will Miss You!

We have big staffing changes coming up this weekend. Several of you will be switching shifts and/or squads with the implementation of shift bid. Deputy Dallan will be transferring to Metro Transit Police. He has served Shoreline for a long time, and we really appreciate him for all he's done for the city. We will miss him and we wish him well in his new assignment. We will also be getting Toby Velie from Sammamish. He will be taking over the community outreach detective position.

- Captain Brian Angelo

City of Kenmore Honors Det. Durrant

On January 13th, the Kenmore City Council honored the 22+ years of service to Kenmore by MPO Jeff Durrant. Having spent the vast majority of this career in Kenmore, Jeff served in a variety of roles: MPO, Traffic Officer, SRO, and FTO. During his time in Kenmore, Jeff received countless awards, commendations, and many “Of the Year” selections.

Jeff sustained many injuries over the years capturing criminals, literally sacrificing his body for Kenmore’s safety. But Jeff’s time in Kenmore may be best remembered for being known by everyone. Criminals always knew when “Durrant” was working. This garnered Jeff the nickname of “TOWN MARSHALL,” a title that is memorialized in a new badge and plaque received at Monday’s meeting.

The City of Kenmore is extremely thankful for Jeff’s dedication above and beyond for the past 22 years!
