Kenmore's 4th of July Draws Big Crowd

Kenmore hosted a huge crowd at and around Log Boom Park for the annual 4th of July fireworks show. Kenmore Officers Gundogdu, Boyer, Wren, Carlin, Bergeron, and Shealey joined Chief Moen for the event. Also, KCSO's North Explorer Post provided three Explorers along with Advisor Detective Pierce. Despite the massive crowd and confined space, the event went exceptionally well and a good time was had by all celebrating America.

Officer Schettler Making Positive Connections

On July 3rd, Officer Daniel Schettler made a brief but memorable visit to the Aurora Community Church's summer camp following a routine traffic stop. According to Nick Bartlett, the church's Facility Manager, Officer Schettler took a few minutes to greet the children, hand out stickers, and engage with them.

This kind gesture deeply resonated with both the kids and staff. "It was a brief moment, but it made a big impression on the kids and helped build a positive

connection between them and local law enforcement" Bartlett said. He continued "We truly appreciate the kindness and community engagement—it meant a lot to us and the families we serve. Thank you again for all you do to keep our community safe and connected."

Commendation for Detectives Velie and Durrant

On June 9, Detectives Toby Velie and Jeff Durrant spent several hours with Scouting America Troop 309, teaching firearm safety and assisting Scouts in working toward their Rifle and Shotgun merit badges.

The troop later shared the following note of appreciation:

"To say that our membership was impressed with Detectives Velie and Durrant would be an understatement. Their manner, professionalism and deep knowledge of the subject matter gave the Scouts an excellent foundation in the pursuit of their knowledge. Further, the adult leadership of the Troop and the parents attending the presentation were equally impressed with their relatability and the thoroughness of their instruction.

We could not be more grateful to Detectives Velie and Durrant for their efforts. Thank you for your support to our program and service to our community."

Protect & Serve - Feathered Friends Included

Kenmore Officers Boyer and Helmer helped some Canadian visitors off a busy street—no tickets were issued, but all were considered flight risks. Luckily, our goose whisperers convinced the flock to walk on the shoulder—resulting in no traffic accidents, no honking and no wild goose chases.
