KNOW BEFORE YOU GO

● **Do you have to provide any personal information (name, ID, etc.)?**

No personal information is required to turn in a firearm.

● **What kind of firearms can you turn in and how much will you get?**

You will receive gift cards in varying amounts, based on the type of firearm surrendered. For example:

- \$25 for antique firearms, junk guns, inoperable firearms, receivers/frames only, and bump-fire stocks
- \$50 for muzzle-loading firearms manufactured after 1941
- \$100 for rifles, shotguns, .22LR weapons firearms, and revolvers
- \$200 for pistols
- \$300 for AR-15s, AK-47s, and machine guns
- \$0 for toy guns, BB/pellet guns, homemade firearms, non-firing objects that look like firearms, ammunition, magazines, other ammunition-feeding devices, and firearm accessories including scopes, optical sights, lights, or other accessories attached to a firearm

● **What if I have more than one firearm to turn in?**

One gift card will be issued per firearm.

● **How do you bring a firearm to the drop off site?**

Firearms must be **unloaded** and placed in the trunk of your car. You may not handle the firearm once you enter the event site.

● **What is the process for turning in a firearm at this event?**

You will remain in your vehicle at all times. A law enforcement officer will safely remove the firearm from your trunk, and you will then receive a gift card based on the type of firearm you have turned in.

● **Can more than one person bring a gun in the same car?**

Yes, multiple people can bring firearms in the trunk of the same car. We will give all gift cards to the driver, who will be responsible for distributing them to the passengers.

● **Can you turn in ammunition and firearm accessories?**

Yes

● **Are we collecting flares and fireworks?**

No

● **What happens after you turn in my firearm(s)?**

Once you have turned in your firearm and received your gift card, the King County Sheriff's Office will destroy it in accordance with state law. Firearms classified as antiques or relics will be auctioned off and shipped out of state.
