## Chief's Message

---

Happy Friday,

I am writing this today to reflect on events that occurred 24 years ago on 09/11/2001. Many of us who were working in law enforcement know exactly where we were that day and remember the long hours and uncertainty that came along with the events of the day.

We as a profession have moved through many trials and tribulations over the last 24 years. There have been many changes in how we operate both in our profession and in our personal lives. The one thing that has not changed is that many honorable individuals have entered and exited this profession over that same time.

I want to thank each and every one of you for continuing to put on the uniform and come to work every day to serve our community. What you do every day does not

go unnoticed. The members of this community are grateful for your efforts. Thank you!

Take care,

- *Chief Tommy Collins*

Congratulations to Deputy A. Alnsour on his successful completion of Phase 2 training and his advancement to Phase 3.

We had a good showing at the Gun Buy Back on September 6 at Shoreline Community College.

- 158 total guns surrendered
- \$17,225 in gift cards distributed
- 2 guns confirmed stolen by DATA

- 1 *possible* stolen – more research needed to confirm

Thanks to all who helped make this event successful.

- Captain Neil Woodruff

On September 3, 2025, the City of Shoreline held its annual Employee Recognition Picnic. With great weather and even better company, staff from across all departments gathered to enjoy an outdoor lunch and to celebrate our shared commitment to public service. Thank you for your teamwork and dedication in making Shoreline a great place to live and serve.
