Appreciation for Officer Gundogdu

Chief Moen received the following email from a grateful Kenmore community member regarding Ofc. Gundogdu's response to a single car collision on September 16, 2025.

"This past Tuesday I was leaving my Kenmore neighborhood (just north of the Inglemoor HS playing fields) when I happened upon Officer Gundogdu who was skillfully and compassionately managing the traffic and persons involved as a tow

truck removed a disabled student's car that had crossed over an incoming/outgoing lane barrier as it entered NE 157th Street just off of Simonds Road NE.

I had but a short wait until the disabled vehicle was removed but was able to chat briefly during this time with Officer Gundogdu. The manner in which he was in charge reflected (in my opinion) both appropriate and compassionate decisions.

Appreciate we have police like Officer Gundogdu working in our community.”
