## Chief's Message

---

Fall is upon us; along with all the weather that comes with it. I had to actually scrape my windshield twice this week due to ice on the windshield. Too soon in the year in my opinion. With that being said it is a good time to take inventory of the equipment in your patrol car. Take a look at the equipment in your cargo area and make sure you have what you need. If you are lacking in equipment, please let your sergeants know so we can get that to you.

Here is your weekly reminder to get your training done. There's roughly two weeks left for our yearly online training to be completed. Don't be on the non-complete list on 11/02. We have all had plenty of reminders to get this done.

I will be at a conference next week. Please be kind to the captains in my absence.

Take care,

- Chief Tommy Collins

## Let's Build the Ultimate Gift Card Basket

---

It's that time of year again! Each precinct, unit, and worksite is invited to take part in the annual KCSO Basket Drawing to support the King County Employee Giving Program.

This year's theme is "Gift Cards for Good!" We're building a basket filled with gift cards to everyone's favorite places, and we need your help to make it awesome.

Here's how you can chip in:

- Donate a gift card to your favorite spot (coffee, food, retail—anything goes!)
- Send your donation via Venmo to @Dahlia-Corona
- Put a few dollars into the envelope making its way through our unit

The deadline to deliver the baskets to the Communications Center is October 31st, so don't wait! Let's make our basket the one everyone wants to win. Thanks for helping us support a great cause!
