## A FUTURE PARK AT HEMLOCK AND 192ND

The City of Shoreline invites all ages to participate in an **info session** about the future park at 192nd and Hemlock. It is going to be bigger!! More green space for everyone is a good thing. Come let us know your thoughts on this new section and thanks to everyone who has already given input on the design process for this new park. We look forward to having some more input and conversation with neighbors.
