Chief's Message

Today I had the privilege of attending Detective Bobbi Wilcox's retirement gathering at Kenmore City Hall. Det. Wilcox had 38 years of service with KCSO, many of which was for the City of Kenmore. I did not know Det. Wilcox very well, but many of you did. The over arching theme of the retirement was the dedication she had to the job and community. Multiple people talked about how dedicated Det. Wilcox was to her work, and that even after all the years on the job she showed up to work everyday with a smile on her face ready to serve her community. We all wish her well in her retirement.

This Saturday at 0800 many of us will be at the Fred Meyer on Aurora participating in Shoreline's first Shop with a Cop Holiday Event. I want to extend my gratitude to Det. Toby Velie for taking on the heavy lift of getting this program off the ground. It is never easy to coordinate a community event. It is especially difficult putting a new event together. I hope to see many of you at Fred Meyer on Saturday morning.

That's all for now.

Take care,

- Chief Tommy Collins

Best Wishes Bobbi - You Will Be Missed

Shoreline's All Staff Meeting

Thanks to all who attended the Shoreline Police All-Staff meeting last Friday, December 5. This year's meeting was more informal than in previous years. Chief

Collins let us know about current events and thanked everyone for their hard work. He also presented the Meritorious Service Award to Deputy Ben Dromgool for his actions during the Polaris apartment fire. He also presented service coins to Deputy Dromgool (five years) and Deputy Danny Planalp (10 years). Everyone enjoyed BBQ from Smokin' Pete's, cake, and cookies.

I would like to extend a special thanks to Kris Tsujkawa and CSO Dahlia Corona for their work on the great "Year in Review" slide show.

- Captain Neil Woodruff

Kenmore's All Staff Meeting

Also on December 5, Kenmore officers gathered for their annual staff meeting and training. Kenmore City Manager Teri Killgore and Deputy City Manager Stephanie Lucash both attended and spoke to the officers as well.

Detective Jeff Helmer was voted by his peers as Kenmore's Officer of the Year for 2025. Officer Andrew Boyer was presented with his 10-year coin recognizing his years of service with KCSO. Congratulations to you both!

Multiple Agencies Partner to Secure Stable Housing for Vulnerable Adult

Erin, a 70-year-old woman who uses a wheelchair and has experienced homelessness in Shoreline for more than two years, has been placed at The Oaks while she awaits permanent housing. This placement represents a positive step toward long-term stability.

Many hands contributed to making this possible, including Shoreline Fire MIH, Shoreline patrol officers, Lake City Partners, DESC SAGE, the City of Shoreline Housing and Human Services Team, Sound Generations, the Shoreline–Lake Forest Park Senior Activity Center, DSHS Adult Protective Services, DSHS Home and Community Services, and RCR.

"Thank you to everyone who took hours of their time to engage with and support Erin through many difficult moments. It's amazing what can get done when we work together!"

- Emily Evans, MSW, LICSW

Heartfelt Thanks from Young Students

thank you.

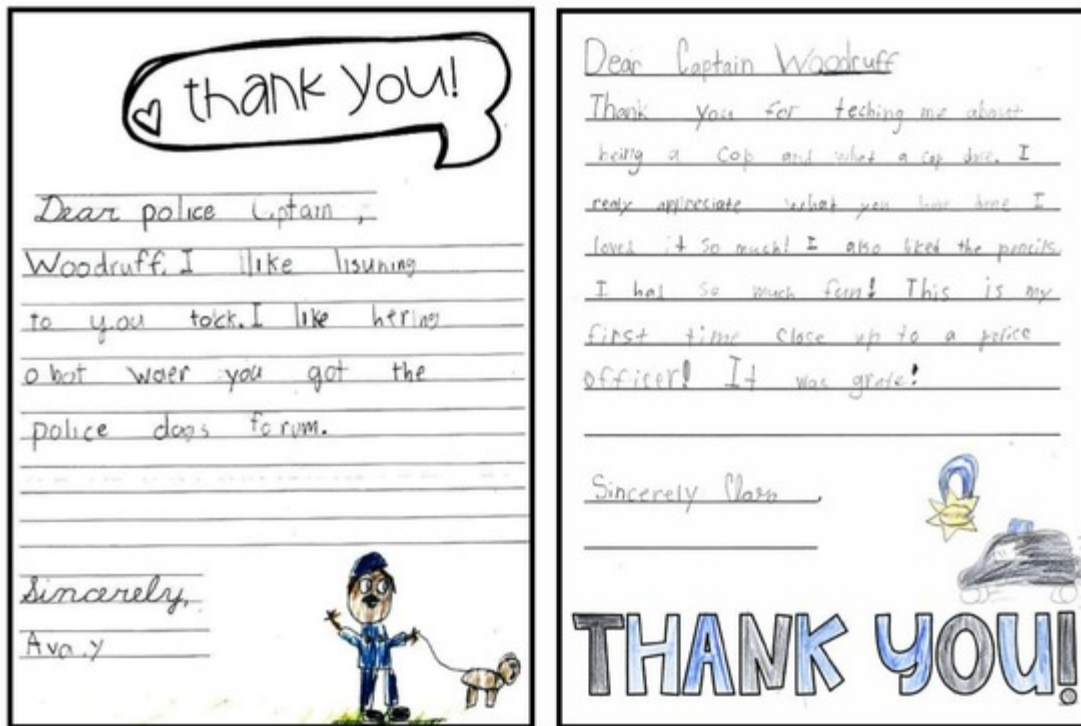

Dear police Neil Woodruff,
thank you for keeping us safe

When something bad or w people have
things I hard to solve! I also appr h w
ind you are a respe + full you res
that's zy solv a p o b l m some + g
that i s me times its hard +

solve apr lom but y work hard
it eve if its se s posibe!

Sincerely, **thank you!** ★
FIFA / Tiffany ★ Police Neil Woodruff
best police is Neil Woodruff

Captain Woodruff received several heartfelt thank-you letters from Evergreen School second graders following his presentation during their November 13th field trip to City Hall. The students were very thankful the police keep their community safe and treat people with kindness and respect. The kids were fascinated by our K9 dog, even though they didn't get to meet Rex person. This was the first time many of these students had met a police officer in person, and the experience left a very positive impression on our youngest community members.
