Tulalip, WA 982721

Dear Mr. Williams:

On behalf of the Shoreline City Council I would like to express our condolences for the victims of the Marysville-Pilchuck High School shooting on Friday, October 24. I can only imagine the challenges that you will face as a community to address the grief of those directly impacted by the shooting and to provide the means for the long-term healing of the Marysville/Tulalip community.

As a Mayor, it really brings home the important work we do to build community, provide a social network to assist our residents, and to foster a safe environment for those who choose to live, work, play and learn in our respective communities. I'm sure that the Tulalip Tribe will be investing hundreds of unplanned hours working through the issues of this event, along with maintaining the many other services that you already provide to your community. Please know that although we are not in the midst of the work that you have ahead of you, we recognize the personal efforts that you will be taking to move forward. If there is an opportunity for Shoreline to assist please do not hesitate to let us know.

At our Council meeting on Monday, October 27 we thought it particularly important to pause for a moment of silence to honor those affected by this event.

We know your hearts are heavy with grief. Please know your community is in our thoughts and prayers as you provide support to those affected by this tragedy. We know your community is working together to provide comfort and safety to those who have lost so much.

Sincerely,

Shari Winstead
Mayor
