

**ORDINANCE NO. 488**

**AN ORDINANCE OF THE CITY OF SHORELINE, WASHINGTON, AMENDING A MORATORIUM ON THE FILING OR ACCEPTANCE OF ANY APPLICATIONS FOR RESIDENTIAL DEVELOPMENT OF LAND WITHIN THE COMMUNITY BUSINESS, INDUSTRIAL OR REGIONAL BUSINESS LAND USE DISTRICTS IN PROXIMITY TO RESIDENTIAL NEIGHBORHOODS.**

WHEREAS, under the provisions of the Growth Management Act the City has adopted development regulations implementing the City of Shoreline Comprehensive Plan; and

WHEREAS, the City's adopted land use regulations pursuant to Land Use Policies for the Community Business and Regional Business land use designations include Community Business, Regional Business and Industrial zoning districts in both of these Comprehensive Plan land use designations; and

WHEREAS, these three business zones include development standards for residential development which may be incompatible when located adjacent to existing residential zones; and

WHEREAS, the continued acceptance of development applications proposing new residential development utilizing existing community business, regional business and industrial zone development standards and density may allow development that is incompatible with existing neighborhoods, leading to erosion of community character and harmony, and a decline in property values; and

WHEREAS, a six-month moratorium on the filing of applications for residential development in these three business zones will allow the City to preserve planning options and prevent substantial change until the existing land areas so designated and the text of development standards applicable to residential development in these zones is reviewed and any needed revisions are made to these regulations; and

WHEREAS, the City Council has determined from recent public correspondence and comment that the integrity of existing land uses may suffer irreparable harm unless a moratorium is adopted; and

WHEREAS, the potential adverse impacts upon the public safety, welfare, and peace, as outlined herein, justify the declaration of an emergency; and

WHEREAS, pursuant to SEPA regulation SMC 20.30.550 adopting Washington Administrative Code Section 197-11-880, the City Council finds that an exemption under SEPA for this action is necessary to prevent an imminent threat to public health and safety and to prevent an imminent threat of serious environmental degradation through

continued development under existing regulations. The City shall conduct SEPA review of any permanent regulations proposed to replace this moratorium; and

WHEREAS, a public hearing was held on Ordinance No. 484 adopting a moratorium on residential development in the CB, RB and I zones in close proximity to low density residential neighborhoods; and

WHEREAS, Council finds that some exceptions to the moratorium should be adopted to allow certain residential development covered by the moratorium which does not created an impact to adjacent residential neighborhoods; now therefore
