

SHORELINE POLICE DEPARTMENT

Hello!

Thank you for visiting the Shoreline Police Department website.

My name is Tony Burt and I serve as the Chief of Police in the City of Shoreline. I've been the Chief for over three years and it is a privilege for me to serve the city. The City of Shoreline contracts with the King County Sheriff's Office for police services. The sheriff's office assigns personnel to the city based on the services purchased by the city.

Since joining the Sheriff's Office in 1987 as a deputy, I have had the opportunity to serve in a wide variety of assignments. In 2004, I was promoted to Major and assigned as the Chief of Police in Shoreline.

These pages contain a wealth of information about the police department and the services we provide, community events and information designed to help make you safer in your daily life.

The mission of the Shoreline Police Department is to prevent crime and create an environment where people feel safe, while providing quality, professional law enforcement services designed to improve public safety.

We believe strongly in our mission and our dedicated team of professionals strive every day to perform with excellence. I am proud of the men and women who work for the Shoreline Police Department.

I hope you find the information on our site beneficial and feel free to suggest ideas for improvement.

Thank you!
