Staff: Kirk McKinley, Mark Relph, Kris Overleese, Julie Modrzejewski, Alicia Sherman, Jennifer Barnes, Paul Fuesel

Meeting Summary

Meeting started at approximately 6:30 pm.

1. Welcome/Agenda Review Kirk

Kirk welcomed everyone & thanked them for their attendance. Staff & team members introduced themselves. Kirk introduced Paul Fuesel of KPG and explained that KPG will be doing the design work for the next two mile of Aurora. Kirk reviewed the schedule of upcoming events including the ribbon cutting for the section of Aurora from North 145th Street – North 165th Street and the Interurban Trail bridges on Saturday, June 16; the community open house on Wednesday, June 20 at Meridian Park Elementary School from 6:00 – 8:30 pm; the City Council meeting on July 16, at which the draft recommended alternative will be presented; and the City Council meeting on July 23, at which it is anticipated that the Council will select the preferred alternative for Aurora from North 165th Street – North 205th Street. The final ABC Team meeting will be June 27, which will include a debrief from the June 20th community open house.

Kirk reviewed the meeting agenda.

2. Implementation Strategies/32 Points Review Kris

Kris reviewed the meeting packet materials. Kirk thanked the team for their contribution to the discussion of the Implementation Strategies and asked members to forward any additional comments to staff.

3. Draft Recommended Alternative Kirk/All

Kirk reviewed segments of the draft recommended alternative. The team asked questions regarding design for next two miles, including issues about sidewalk width, left turn pockets, cost estimates, preservation of the red brick road, the environmental process, the rebuilding of City Hall, the cross-section for North 175th street, and pedestrian crossing at North 175th Street.

4. Adjourn

Staff reminded the team to attend the ribbon cutting ceremony and open house.
