Meeting Summary

Meeting started at approximately 6:30 pm.

1. Welcome/Agenda Review Kirk

Kirk welcomed everyone & thanked them for their attendance. Staff & team members introduced themselves.

Kirk reviewed the meeting agenda.

2. Follow up – Opportunities/Challenges Alts A, B, C Kris/All

Kris opened the floor for comments regarding last meeting's discussion. The group discussed the potential effects of removing the red brick road south of 175th and the city's plans for the creation of a park in the Ronald Place area north of Walgreen's. Kris explained the cultural resources report analysis process and initial staff findings.

3. Opportunities/Challenges – Do Nothing Kris

Kris opened the floor for discussion of opportunities and challenges of doing nothing. The team discussed the opportunities and challenges of an alternative that has absolutely no improvements. There was a general consensus that the city has to make improvements to Aurora and "do nothing" is not an option for the city. Kris clarified that "do nothing" alternative literally analyzes no improvements.

4. 32 Points Update – Review All

Kirk explained the history of the 32 points & the desire to revisit them and use them as implementation strategies for the next two miles. The team discussed the content and wording of each point, and

extended the review for 15 minutes to complete the review. Kirk & Kris will work on the document & bring it back to ABC Team for review.

5. Adjourn

All

Kris reminded the team that the next meeting is June 6th at the Spartan Gym. Meeting adjourned at 8:45pm.
