N 145th – N 165th Streets

CONSTRUCTION UPDATE

January 2 - 5, 2007

This week crews will be:

- Constructing bridge deck curb for the 155th Street Interurban Trail Bridge.
- Continuing to work on the walls for the Aurora Avenue Interurban Bridge.
- Working on the interface between the right-of-way and private properties.
- Continuing to pour concrete for sidewalks and driveways on both sides of Aurora Avenue, including the sidewalk near Parkwood Plaza.
- Continuing to fill the medians with topsoil.
- Continue the signal wiring at N 155th Street.

Special notes:

- Periodic single lane closures are expected throughout the month of January when crews work on the signals, light poles and medians.
- Aurora Avenue North is still very much a construction zone. Please maintain a recommended speed limit of 35 mph in the construction zone to protect yourself and the construction and traffic control workers. Remember: traffic fines double in construction zones.
