Aurora Corridor Project  
N 145<sup>th</sup> – N 165<sup>th</sup> Streets

## CONSTRUCTION UPDATE

Week of January 3 - 6, 2006

This week crews will be:

- Trenching for utility undergrounding on the east side of Aurora Avenue moving north from N 155<sup>th</sup> Street. This will require an intermittent restriction of northbound Aurora traffic to one lane.
- Installing the storm water system from N 160<sup>th</sup> Street to N 163<sup>rd</sup> Street on the west side of Aurora Avenue.
- Repairing pot holes caused by the recent heavy rains.

Construction staging continues along Westminster Way. To avoid possible congestion caused by construction staging along Westminster Way, motorists and pedestrians are encouraged to use N 155<sup>th</sup> Street instead.

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the temporary construction speed limit of 35 MPH.
