N 145th – N 165th Streets

CONSTRUCTION UPDATE

December 18 - 22, 2006

This week crews will be:

- Finishing the south bridge ramp wall and the deck curb for the Aurora Avenue Interurban Trail Bridge.
- Working on the interface between the right-of-way and private properties.
- Continuing to pour concrete for sidewalks and driveways on both sides of Aurora Avenue, including the sidewalk near Parkwood Plaza.
- Continuing to remove overhead lines.
- Continuing installation of irrigation systems and topsoil in median.
- Continue the signal wiring at N 155th Street.

Special notes:

- Crews will not be working the week of Dec. 25 - 29 in observance of the holiday.
- Periodic single lane closures are expected throughout the month of December when crews work on the signals, light poles and medians.
- Aurora Avenue North is still very much a construction zone. Please maintain a recommended speed limit of 35 mph in the construction zone to protect yourself and the construction and traffic control workers. Remember: traffic fines are double in construction zones.
