N 145th – N 165th Streets

CONSTRUCTION UPDATE

December 4 - 8, 2006

This week crews will be:

- Finishing the south bridge ramp wall and the deck curb for the N 155th Street Interurban Trail Bridge.
- Working on the interface between the right-of-way and private properties.
- Continuing to pour concrete for sidewalks and driveways on both sides of Aurora Avenue, including the sidewalk near Parkwood Plaza, and laying asphalt paving behind sidewalks.
- Continuing to transfer power and telecommunications from overhead to underground lines.
- Continuing landscaping and planting trees.
- Continuing median excavation and installation of irrigation systems and topsoil.
- Installing the signals at N 160th Street and the signal wiring at N 155th Street.

Special notes:

Aurora Avenue North is still very much a construction zone. Please maintain a recommended speed limit of 35 mph in the construction zone to protect yourself and the construction and traffic control workers. Remember: traffic fines double in construction zones.
