Aurora Corridor Project
N 145th – N 165th Streets

CONSTRUCTION UPDATE

Week of February 13 - 17, 2006

This week crews will be:

- Trenching for utility undergrounding on the west side of Aurora Avenue moving south from N 155th Street.
- Laying pipe and other storm water system structures heading south from N 155th Street on the west side of Aurora Avenue.
- Installing catch basins and inlets along the west side of Aurora Avenue, north of N 155th Street.
- Working at night on storm water and joint utility trench crossings of Aurora Avenue south of N 155th Street. Crews will also be working on a joint utility trench crossing Aurora Avenue at N 160th Street. Traffic on Aurora will be restricted to one lane in each direction during this work.
- Tying and forming rebar for the eastern pier of the Aurora bridge

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the advisory construction speed limit of 35 MPH.
