Aurora Corridor Project
N 145th – N 165th Streets

CONSTRUCTION UPDATE

Week of February 6 - 10, 2006

This week crews will be:

- Trenching for utility undergrounding on the west side of Aurora Avenue moving south from N 155th Street.
- Pre-setting utility vaults moving south from N 155th Street.
- Laying pipe and other storm water system structures heading south from N 155th Street on the west side of Aurora Avenue.
- Relocating an 80-foot section of water main near N 163rd Street that will require the closure of N 163rd Street Tuesday through Friday.
- Working at night on storm water and joint utility trench crossings of Aurora Avenue south of N 155th Street. Traffic on Aurora will be restricted to one lane in each direction during this work.
- Tying and forming rebar for the southern pier of the N 155th Street Bridge.
- Installing an 8-inch sanitary sewer with encasement on the east end of the Aurora bridge footing. Crews will also be excavating for the footing in this area.

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the advisory construction speed limit of 35 MPH.
