N 145<sup>th</sup> – N 165<sup>th</sup> Streets

## CONSTRUCTION UPDATE

March 12 - March 30, 2007

Over the next few weeks crews will be:

- Paving and setting handrails on the west wall for the Aurora Interurban Trail Bridge.
- Installing the lighting, glass and screens on the Aurora Interurban Trail Bridge.
- Activating the signals at N 155<sup>th</sup> Street and starting work on the signal at N 152<sup>nd</sup> Street.
- Working on the interface between the right-of-way and private properties.
- Continuing to pour concrete for sidewalks and driveways on both sides of Aurora Avenue and installing handrails.
- Landscaping the medians and amenity zones along Aurora Avenue.
- Raising utility vault lids in the street to match the road elevation.
- Installing street light control panels.

### Special notes:

- Periodic single lane closures are expected throughout the month of March when crews work on the signals, light poles, bridges and median landscaping.
- Please maintain a recommended speed limit of 35 mph in the construction zone to protect yourself and the construction and traffic control workers. Remember: traffic fines double in construction zones.
