Aurora Corridor Project

N. 145th – N. 165th Streets

CONSTRUCTION UPDATE

Week of March 27 - 31, 2006

This week crews will be:

- Trenching for utility undergrounding on the west side of Aurora moving south towards N. 145th Street.
- Trenching for private property utility service connections.
- Working on the walls supporting the bridge ramps. The first shipment of art panels which form the walls are being set in place.
- Continuing roadway excavation and spreading base course. Curb, gutter and sidewalk work will start at N. 165th Street and move south. There will be intermittent closures of the southbound lane after 9:00 a.m.
- Activating temporary traffic signals at N. 160th Street Wednesday morning after rush hour, causing a temporary signal outage. Police officers will be on site to assist with traffic.

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the advisory construction speed limit of 35 MPH.
