Aurora Corridor Project

N 145th – N 165th Streets

CONSTRUCTION UPDATE

Week of June 12 - 16, 2006

This week crews will be:

- Working on the walls supporting the bridge ramps.
- Working on the Aurora Bridge deck framing and steel work.
- Continuing installation of sidewalks and driveways on the west side of Aurora Avenue and curb/gutter to N 145th Street on the west side. There will be intermittent closures of the southbound lane after 9:00 a.m.
- Grading roadway surfaces between N 145th and N 155th Streets in preparation for asphalt paving later in the week at night. Traffic will also be shifted to the west in this area the same night.
- Installing pipe/structures and storm water system connections along the east side of Aurora Avenue, north of N 155th Street.
- Continuing utility undergrounding work which will cause intermittent closures of a northbound lane.
- Continuing the relocation of a 24-inch water main between N 152nd and N 155th Streets. There will be a combination of day and night work to accomplish this. There will be closures of a northbound lane during this time. Work on this relocation will continue through June 30.
- Coordinating with Pilchuck Construction to relocate gas mains in various areas.

Please drive carefully and observe the advisory construction speed limit of 35 MPH.
