Aurora Corridor Project

N 145th – N 165th Streets

CONSTRUCTION UPDATE

Week of June 5 - 9, 2006

This week crews will be:

- Working on the walls supporting the bridge ramps.
- Working on the Aurora Bridge deck framing.
- Continuing installation of sidewalks on the west side of Aurora Avenue and curb/gutter south of N 155th Street on the west side. There will be intermittent closures of the southbound lane after 9:00 a.m.
- Installing pipe/structures and storm water system connections along the east side of Aurora Avenue, north of N 155th Street.
- Continuing utility undergrounding work.
- Starting the relocation of a 24" water main between N 152nd and N 155th Streets. There may be intermittent closures of a northbound lane during this time. Work on this relocation will continue through June 30. Pilchuck Construction will also be in this same area relocating a gas main.

Police officers will be on site to help with traffic control and maintain safety in the construction area. Please drive carefully and observe the advisory construction speed limit of 35 MPH.
