Aurora Corridor Project

N 145th – N 165th Streets

CONSTRUCTION UPDATE

Week of July 3-7, 2006

This week crews will be:

- Working on the walls supporting the bridge ramps.
- Continuing installation of sidewalks on the west side of Aurora. There will be intermittent closures of the southbound lane between 9:00 a.m. and 4:00 p.m.
- Working on the retaining wall at Parkwood Plaza. N. 152nd Street will be closed during the day for this work and various re-grading and vault installation work will continue on N. 152nd Street for several months.
- Continuing roadway excavation on the east side of Aurora beginning at N. 165th Street and moving south.
- Continuing under grounding of utilities on eastside of Aurora Avenue between 145th Street and 155th Street.

The following work will require intermittent closures of northbound lanes at various times throughout the week:

- Continuing utility under grounding work.
- Coordinating with Pilchuck Construction to relocate gas mains along the east side of Aurora.

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the advisory construction speed limit of 35 MPH.
