CONSTRUCTION UPDATE

Week of August 1-5, 2005

Crews will be working both day and night in northbound lanes to apply asphalt patches to smooth areas where medians and curbs were removed last week.

Crews will also begin re-striping to temporarily shift traffic to the east side of Aurora to accommodate construction. The re-striping will be done at night from 8:00 p.m. to 5:00 a.m. with work expected to be finished by mid-week. Traffic should be shifted to the east side of Aurora by the end of the week.

Police officers will be on site to help with traffic control and safety in the construction area. Please drive carefully and observe the temporary construction speed limit of 35 MPH.
