CONSTRUCTION UPDATE

September 2005

This month crews will be:

- Continuing to install underground utilities vaults and conduit on the west side of 15th Avenue NE. Utility undergrounding crossings on 15th Avenue NE will be completed this month. The crossings will occur at NE 177th Street, south of NE 177th Street and at NE 175th Street. Utility service connections will also be made along the west side of 15th Avenue NE.
- Installing new storm drainage structures and pipe on both sides of 15th Avenue NE.
- Installing signal and street light pole foundations along both sides of 15th Avenue NE.
- Installing new concrete curbs, gutters and driveways along the east side of 15th Avenue NE and along the east part of the side streets and new sidewalks on 15th Avenue NE between NE 175th Street and NE 177th Street.

The construction team has been meeting regularly with businesses to discuss and address individual concerns.

Traffic control personnel will be on site to help with traffic control and safety in the construction area. Police officers will help with traffic control when the contractor digs trenches across 15th Avenue NE at NE 177th Street.
