CONSTRUCTION UPDATE

August 8, 2005

Beginning August 13 and continuing through September, crews will be working on Saturdays from 9:00 a.m. to 5:00 p.m. to keep ahead of the schedule.

Crews will soon complete installation of the underground utilities on the east side of 15th Avenue NE and will begin installing underground utilities on the west side of 15th Avenue NE in the area near NE 180th Street.

Crews will continue to install concrete curbs, gutters and driveways along the east side of 15th Avenue NE as well as along the side streets east of 15th Avenue NE.

Full-time traffic control personnel are on site to help move traffic through the construction sites and to help with pedestrian access during construction.
