### June 2006

Construction is almost complete! With the overlay done and the landscaping in place, only a few items remain to be completed. Here's what to expect this month:

- Qwest and Seattle City Light will complete the wire installation.
- Utility wires and poles will be removed.
- The traffic signal at NE 180<sup>th</sup> Street will be activated.
- Gaps in the sidewalk will be filled in.
- Decorative pavement at the intersections will be completed.
- Site clean up.
- Stripe 15<sup>th</sup> Avenue NE with four lanes north of NE 175<sup>th</sup> Street.

Weather and complications in the undergrounding of the utilities may cause delays, but it is anticipated that construction will be completed by the end of June.
